

United Board Fellows Program

2017-2018 Application Announcement

The United Board for Christian Higher Education in Asia is pleased to invite applications for its 2017-2018 Fellows Program.

The goal of the United Board Fellows Program is to build strong institutions of higher education in Asia. The program prepares talented mid-career faculty and administrators for leadership in universities and colleges in Asia through exposure to ideas and practices in diverse university settings in both Asia and the United States. We also seek to strengthen networks of young leaders in teaching, learning, and administration.

Since 2002, 200 Fellows from over 50 institutions in 11 countries and regions of Asia have been selected for this program, and many have now assumed important leadership positions in their home institutions. We have recently incorporated several adjustments to the Fellows Program, reflecting feedback from program participants. We have reduced the program length from two years to one year; created an intensive summer institute in the United States; continued the Asia placement, flexible in duration; and capped the program with a final leadership seminar in Asia. This new program structure has received overwhelmingly positive feedback.

To apply for the Fellows Program, we ask either heads of institutions or senior administrators to nominate qualified, mid-career faculty and/or administrators who have demonstrated the potential to assume larger leadership roles and responsibilities in the future. The United Board selection committee will invite applications based on the quality of the nomination. Each institute can nominate up to two candidates.

The deadline to submit the nomination form is **September 30, 2016**, and all applications must be submitted by **October 31, 2016**. We encourage nominations to be submitted early so as to bring qualified applicants to our attention as expeditiously as possible.

Please review our program guidelines for more details on eligibility and the application process.
