

## 2022 Whole Person Education Digital Content Development Call for Concept Papers

The United Board invites concept papers for the development of digital content that will advance the capacity of colleges and universities to deliver whole person education (WPE) related material in innovative and effective ways.

This grant opportunity will fund the development of unique WPE-related digital content which promotes learning both inside and outside of the classroom, especially that designed to develop empathy, social concern, civic responsibility, broad-based inquiry, critical thinking, analytical skills, and ethics. Successful concept papers will involve or be led by scholars and trainers who have been oriented to integrated scholarship and WPE, and projects will be designed to create and integrate WPE-related digital resources into curriculum.
