

ALUMNI WEBINAR SERIES

A Workshop on Supporting Educators: Integrating AI into Teaching, Learning, and Leadership in Asian Higher Education

Session 1 of a 5-Part Series

Integrating AI to Build a Robust Future for Christian Higher Education in Asia

About the Workshop Series

This 5-part series, running bimonthly from July 2025 to March 2026, equips United Board Alumni with practical tools, ethical insights, and strategic approaches to integrate AI in higher education—while upholding the values of whole person education and fostering responsible, future-ready leadership.

Mr. Christian Aung

Education Technology
Officer, United Board

- 12:00 PM on July 29, 2025 (IST)
- 02:30 PM on July 29, 2025 (HKT)

A Zoom link will be sent to your registered email address

Key Focus Areas of the Workshop Series:

- ✓ Demystify AI for Educators – Understand foundational AI concepts and tools
- ✓ Foster Practical Application – Apply AI in daily academic tasks and decision-making
- ✓ Promote Ethical Leadership – Explore accountability, integrity, and inclusivity
- ✓ Encourage Innovation – Rethink pedagogy and curriculum through AI
- ✓ Strengthen Institutional Readiness – Align AI use with mission and values
